

D-XBASIC

MANUFACTURER: Diversability Development Organization (DDO)

OVERVIEW: An adult active folding wheelchair designed for urban and semi-urban environments. It offers plenty of adjustability for improved comfort and posture. It comes with solid tires and is provided with the D-Slim Plus pressure relief cushion with an elastic cover. D-Xbasic is compliant with WHO Guidelines and Training. The D-Xbasic is supplied in three sizes and is easily transported thanks to its light weight and removable components.

INTENDED USERS: Active adults and teenagers without postural support needs who regularly use a wheelchair; less active users; older adults.
