

DDO D-XJUNIOR ACTIVE FOLDABLE

MANUFACTURER: Diversability Development Organization (DDO)

OVERVIEW: An active four-wheel folding frame wheelchair designed for children in less-resourced settings. Appropriate for urban and semi-urban environments. Comes with multiple added adjustments for comfort and right fit. Easy to transport due to its light weight and foldability. Includes a children's D-Slim Plus wheelchair pressure relief cushion.

INTENDED USERS: Children without complex postural support needs who regularly use a wheelchair.
